

# Portsmouth City of Sanctuary

## Who we are:

- ⇒ Portsmouth is a city proud to offer **safety** to anyone fleeing **violence and persecution**, or who is seeking **sanctuary**. It matters not whether refugees, asylum seekers and others in need have been here five days or five decades.
- ⇒ Likeminded organisations have come together to form a City of Sanctuary. We share a vision to raise awareness and address **local** issues of **vulnerability and indignity**, with **inclusiveness, kindness and compassion**.

## What we do:

- ⇒ We launched in 2018 as a **dot joiner and promoter** of existing best practice in Portsmouth. As a Charitable Incorporated Organisation (CIO: charity number 1192913) we **deliver, partner with and champion those local projects and solutions** which offer genuine safety and integration.
- ⇒ We provide free **multi-agency casework** and **English** at **St Luke's Southsea**.
- ⇒ We directly welcome and assist people seeking sanctuary, including those suffering **from abuse, hate crime**, isolation, and poor **mental health**.
